

Quality Policy

It is the policy of Axair to supply fans, ventilation equipment and their close accessories to commercial and industrial clients, and to achieve second and subsequent orders from the customer, and by reputation attract new customers.

By continually monitoring, developing and improving our own procedures, resources, and staff training, we will provide consistently high quality products, service, and technical support to our clients.

The company will by means of regular Updates, Performance Reviews, and Management Reviews, ensure that this and its objectives are communicated, understood, and implemented at all levels within the company.
